

Pico Ave. Exit Closed this Weekend in Port of Long Beach

Off-ramp from southbound 710 Freeway to Piers F, G

July 26, 2012

The Pico Avenue exit from southbound Harbor Scenic Drive/710 Freeway in the Port of Long Beach will be closed this weekend from 11 p.m. Friday, July 27, to 8 p.m. Sunday, July 29.

The off-ramp -- identified as the "Pier F, G Pico Ave" exit -- is to be closed while Southern California Edison crews drive piles for transmission poles. The work is bringing additional electricity to the Port as a source of clean energy for ships at berth.

Vehicles coming into the Port can continue on Harbor Scenic and exit at the Harbor Plaza/Harbor Scenic off-ramp, then turn right onto Harbor Plaza to reach Pico.
