

Weekend Closures for Port Roadway Harbor Plaza to be closed from Pico Avenue to Harbor Scenic Drive

July 5, 2012

Harbor Plaza in the Port of Long Beach will be closed for the next two weekends -- July 7-8 and 14-15 -- from Pico Avenue to Harbor Scenic Drive due to a waterline replacement project.

Motorists should plan trips around the closure by using Harbor Scenic Drive. Port of Long Beach Harbor Patrol officers will be stationed at both ends of Harbor Plaza, and can provide, if necessary, access to the Admin Building via the Pico side, and to the Maintenance Facilities construction site from the Harbor Scenic side.

Work on the waterline replacement began in March and has required lane closures on Harbor Plaza, the street which serves the Port Administration Building. These will be the first full closures.
