

## **Ports Seeking Clean Air Innovators Nominations open to recognize green efforts**

March 26, 2012

Nominations are now open for the fifth annual San Pedro Bay Ports Clean Air Action Plan Air Quality Awards, in which the ports of Long Beach and Los Angeles will recognize the air pollution-fighting efforts of port-related businesses in the local area.

The deadline for CAAP Award nominations is Friday, April 27, 2012, at 4 p.m. Nominations can be completed and submitted online; [click here](#).

Nominations will be accepted for port tenants operating at either port as well as other operators serving the ports (shipping lines, trucking companies, rail operators) who have demonstrated a strong commitment to reducing air pollution during 2011.

Only port tenants and other operators that serve one or both of the local ports are eligible for this program; technology vendors are not eligible. Self-nominations will also be accepted.

Awards will be offered in four categories:

- Air Quality Improvement Leadership at the Corporate Level
- Innovative Air Quality Improvement Technologies
- Innovative Operations that Improve Air Quality
- Significant Early Action to Reduce Air Pollutant Emissions

Award recipients will be recognized this summer.

For more information on the awards program and the categories, go to <http://www.cleanairactionplan.org/about/awards.asp>. Applications are due by Friday, April 27, 2012, at 4 p.m. Nominations can be done online or can be downloaded and sent to one of the following addresses:
