

Harbor Plaza Ramp Closures Start Monday, Feb. 4 Roadwork advisory for motorists in Port of Long Beach

Jan. 31, 2013

Motorists in the Port of Long Beach should be aware that certain connectors to and from Harbor Plaza will be closed starting Monday, Feb. 4, for a construction project.

The following ramps will be closed:

- Harbor Plaza East exit from the southbound Harbor Scenic Drive/710 Freeway.
- Off-ramp to Harbor Plaza East from Queensway Bridge.
- On-ramp to Queensway Bridge from eastbound Harbor Plaza.

The ramps are scheduled to be reopened Feb. 22.

Other ramps to and from Harbor Plaza will not be closed: Harbor Plaza West exits from southbound Harbor Scenic Drive and Queensway Bridge, and the on-ramp from westbound Harbor Plaza to Queensway Bridge. Motorists may need to use left-hand turn lanes on Harbor Plaza and the Port of Long Beach Admin Building parking lot for U-turns.
