

Reminder: Eastbound Ocean Bl. Closed Nov. 16-19 Repaving project to detour traffic this weekend

November 14, 2012

Eastbound Ocean Boulevard just east of the Gerald Desmond Bridge, and the on-ramp from Pico Ave to the westbound Gerald Desmond Bridge, will be closed for repaving from 10 p.m. Friday, November 16, until 5 a.m. Monday, November 19. The I-710 northbound entrance from Ocean Boulevard will remain open during the project.

Motorists going eastbound on the Gerald Desmond Bridge to Pico Avenue or downtown Long Beach during the weekend will be detoured north on the I-710 Freeway and then may exit at Anaheim Street, either eastbound or westbound, depending on their destination. Traffic on Pico Avenue seeking to cross to Terminal Island will be directed up to West Anaheim Street to bypass the Desmond Bridge.

The Port of Long Beach is committed to keeping Harbor District roadways maintained in good condition and to minimizing impacts of construction on motorists and businesses.
