## **Pavement Work Begins Sept. 9 on W. Anaheim St. Area businesses open during roadway reconstruction**

Sept. 4, 2013

Workers will break ground Monday, Sept. 9, on a project to renovate West Anaheim Street from the Los Angeles River to the western City of Long Beach limits.

The 14-month project will take a phased approach that allows for continued traffic flow -- two lanes in each direction -- and access to businesses throughout construction. Intersections at 9th Street and Santa Fe and Harbor avenues will remain open; all other intersections will be closed during the project.

In addition to roadway resurfacing, the project includes improvements for sidewalks, bus stops, the median, access for the disabled and landscaping.

Roadwork will generally be carried out from 7 a.m. to 3:30 p.m., Mondays through Fridays.
