

News Release

West Anaheim Street to Close this Weekend

Traffic detoured in both directions Oct. 19-20

Oct. 16, 2013

West Anaheim Street will close in both directions on Saturday and Sunday, Oct. 19-20, as crews continue a roadway improvement project on the West Long Beach thoroughfare.

The closure will start at 7 a.m. Saturday and is scheduled to continue through Sunday at 5 p.m., to allow crews to replace underground water lines. The street is undergoing a 14-month-long improvement project that started Sept. 9, 2013. This is the first full closure in the project.

The street will be closed between Caspian and Canal avenues. Westbound traffic will be detoured north to 14th Street, and eastbound cars and trucks will be detoured to 11th Street to the south.

The Port of Long Beach is overseeing the work to improve the street, which is the northern boundary of the harbor district. In addition to roadway resurfacing, the project includes improvements for sidewalks, bus stops, median, access for the disabled and landscaping.
