stopthinkconnect.org

imservicedesk@polb.com | 562.283.7411

You are Invited to a Free  
**CYBER WORKSHOP**

*"You are the frontline defense – the human firewall"*

## Computer Security Threats

The importance for everyone's participation  
in cyber security (human firewall)

Wednesday, October 30<sup>th</sup>

1:30 – 2:30 p.m.

Port of Long Beach  
6th Floor Boardroom

925 Harbor Plaza • Long Beach CA 90802

Guest speaker

**Mike Murray**  
Managing Partner of  
MAD Security

Mike Murray has spent more than a decade helping companies large and small to protect their information by understanding their vulnerability posture from the perspective of an attacker. Mike is also a Managing Partner of MAD Security, where he leads engagements to help corporate and government customers understand and protect their security organization.

Refreshments will be served after presentation
