April 3, 2014

You're invited to a free Port of Long Beach harbor tour this summer. Round up your family, friends and colleagues for a close-up view of cargo operations, construction projects and environmental initiatives at the Port.

The free, 90-minute, narrated harbor tours will depart the first and third Saturdays of each month at 10 a.m. and second and fourth Thursdays at 7:30 p.m.

Online reservations for the May tours will open at noon Monday, April 7. For all following months, reservations open the first Monday of the month preceding the month of the tours. (The reservations for the October tours will open on Tuesday, Sept. 2, at noon due to the Labor Day holiday.)

Visit www.polb.com/porttours for a calendar of dates, and to make reservations.

Space is limited and reservations go fast. Click the date and time of the tour you wish to attend to start your registration. If the tour is full, you may join the waiting list and you will be notified if space becomes available.
