'Deep Draft Navigation Study' Comment Period Extended

Public can offer input through Dec. 20

Nov. 15, 2016

The Port of Long Beach has extended the comment period for a study to identify and evaluate improvements to existing navigation channels, enhancing safety, reliability and efficiency for visiting vessels.

Public comments on the Port of Long Beach Deep Draft Navigation Study will now be accepted through Tuesday, Dec. 20. Comments should be sent to Heather Tomley, Director of Environmental Planning, Port of Long Beach, 4801 Airport Plaza Drive, Long Beach, CA 90815, or at heather.tomley@polb.com.

The Deep Draft Navigation Study would assess the costs, benefits and environmental impacts of the project alternatives that include dredging to deepen channels, basins, berths and other areas in the Port.

The Notice of Preparation for the proposed project is available online at www.polb.com/ceqa.

Media Contact: Lee Peterson, Port of Long Beach Media Relations Lead, (562) 283-7715 (office), (562) 519-2177 (cell), lee.peterson@polb.com.
