

The **Community Grants Program** is an unprecedented effort to lessen the Port of Long Beach's impacts on the community. Over the next 12 to 15 years, we plan to invest \$46.4 million toward community-based projects that reduce our impacts on air quality, traffic, noise, and water quality. For more information, visit [polb.com/grants](http://polb.com/grants).

## Infrastructure Grant Workshop Set for April

The Port of Long Beach plans to release applications in May for water quality projects under the Community Infrastructure Program. To prepare potential applicants for this Request for Proposals (RFP), the Port will hold a pre-solicitation workshop on Wednesday, April 25.

The workshop will describe how to build a strong proposal, key evaluation criteria to be used by staff and the Community Grant Advisory Committee during review, and other helpful tips. A presentation for water quality project applicants will be held at 10 a.m. in the Board Room of the Port's Interim Administrative Offices, 4801 Airport Plaza Drive, Long Beach 90815. The workshop will be recorded and a link will be available online at [www.polb.com/grants](http://www.polb.com/grants).

Please RSVP to the workshops by calling (562) 283-7100 or emailing [grants@polb.com](mailto:grants@polb.com).

Guidelines for the Community Infrastructure Program can be found on the Port website at [www.polb.com/grants](http://www.polb.com/grants).

The next Community Grants Advisory Committee Meeting will be held on Wednesday, June 13, at 4 p.m. in the Port Interim Administrative Offices, 4801 Airport Plaza Drive, Long Beach 90815.

## Cinco De Mayo Wellness Event

Pools of Hope, a recent grant recipient of \$150,000 from the Community Health Program, is kicking off its Respiratory Health Improvement Program with a Cinco De Mayo Wellness Event in North Long Beach on Saturday, May 5, from 11 a.m.-1 p.m. at 6801 Long Beach Blvd., Long Beach 90805.

It will celebrate the launch of the Los Angeles County + University of Southern California Breathmobile, which will diagnose and treat children with asthma over the next two years. Please come out and celebrate with free food, mariachis, folklorico dancers, and more!
