June 6, 2008

Grilled, fried, baked or sautéed, the bountiful seafood delights of the 21st annual Seafood Feast promise to delight everyone's taste buds 5:30 to 7:30 p.m. Wednesday, June 11, 2008 at a brand new location in San Pedro.

The event will be at the Arena Building, 390 S. Harbor Blvd., Berth 91, San Pedro. (Entrance at 1st Street and Harbor Boulevard.) Tickets – which must be purchased in advance – are \$40 per person.

The freshest catch of salmon, swordfish, shrimp, halibut and octopus will once again feed a wharf-ful of people for a good cause: the International Longshore and Warehouse Union/ Propeller Club of Los Angeles-Long Beach Memorial Scholarship Fund.

The scholarship fund was created in 1987 to honor the memory of longshore workers who lost their lives working on the waterfront. Funds are awarded to selected local high school seniors entering college.

For tickets, call (818) 951-2842 or e-mail propellerclub.lalb@verizon.net; or contact ILWU local offices.
