Commission President Sets Goals for 2010 Jobs, Environment at top of Nick Sramek's agenda

January 11, 2010

Port of Long Beach Board of Harbor Commissioners President Nick Sramek on Monday announced his goals for the year.

[Sramek](#), who was elected president of the board in June 2009, said his priorities are jobs and the economy, the environment, nurturing the Port's relationships with its community and customers and pushing for future clean technology.
