

'On the Go' Video Profiles Port's New Executive Director

Lytle set to take helm in the new year

December 1, 2011

Join the "On the Go" video team as they visit with newly appointed Port of Long Beach Executive Director J. Christopher Lytle.

On January 1, 2012, Lytle will take over from longtime Executive Director Richard D. Steinke as the Port's top staffer.

The Long Beach Board of Harbor Commissioners unanimously appointed Lytle as Steinke's successor in November, calling him the "ideal leader" to continue the Port's strong record of fostering trade and economic activity while serving as an international leader among seaports in environmental sustainability.
